TUNG NGUYEN

San Francisco, California • (650) 898-3665 • tung.nguyen23797@gmail.com

Motivated full-stack developer with a solid foundation in Computer Science and hands-on experience using React, Next.js, and Node.js. Currently pursuing an Associate in Business Administration to strengthen skills in marketing, strategy, and leadership. Recently admitted to the MS in Artificial Intelligence program at San José State University, where I aim to integrate technical and business expertise to build data-driven systems and drive innovation in AI.

WORK EXPERIENCE

Axon Digital | *Pacifica, CA* | **Co-Founder**   **Jan 2025 – Aug 2025**

- Led client acquisition, business strategy, and technical implementation.
- Built and deployed websites, integrated digital tools, and advised clients on workflows.
- Navigated early-stage startup challenges in operations, scalability, and team support.

SkillSpoke | *San Mateo, CA* | **Founder / Full-Stack Developer**   **Oct 2023 – Mar 2024**

- Designed and built MVP platform for Vietnamese service marketplace using Next.js, Prisma, tRPC.
- Conducted market research, defined feature priorities, and ran early-stage user testing.
- Gained experience in product development, system design, and launching in an emerging market.
